Traveling Responsibly

Making your travels a force for good

Travel has the power to change lives — not only yours, but those of locals in the destinations you visit. As a travel company, we take this charter seriously and aim to protect the world as we know it for future generations. We are committed to having a positive impact on not only the people and communities we visit, but also by protecting the wildlife we encounter, and conserving the natural resources of the planet we call home. We do this through our 5-year sustainability strategy How We Tread Right (HWTR) and our not-for-profit TreadRight Foundation which supports sustainable travel initiatives worldwide, with a focus on nature based solutions to the climate crisis.

A blueprint for change, our 5-year sustainability strategy

Our sustainability strategy, How We Tread Right (HWTR), is our guiding light on how we run our business and how we travel. It is based on 11 measurable goals anchored to the United Nations Sustainable Development Goals (SDGs), which address the issues of climate change, sustainable food production, waste reduction, travel experiences, wildlife, diversity, and inclusion. Learn more at www.impact.ttc.com.

MARTA CUCCIA, PERUGIA, ITALY Meet Marta Cuccia, a fourth-generation Renaissance weaver and owner of one of Italy's last remaining wooden frame hand-weaving workshops. They have been teaching weavers for four generations using a 500-year-old traditional loom and techniques that have survived since medieval times. Hear Marta's passion for her craft as you learn how she creates beautifully hand-woven pieces including bed linens, tablecloths and cushion covers. Your visit also directly supports United Nations Sustainable Development Goal 11: Sustainable Cities and Communities.

TRADITIONALLY A BEEKEEPING AREA, DELPHI, GREECE has lost most of its beekeeping activity. The decline in bee populations has seen a significant loss of biodiversity. Thanks to their effort, Nikiforos and his family are rebuilding a local activity and directly contributing to regenerating the land. This experience supports Sustainable Development Goal 15: Life on Land.

Best of Greece (page 100)

Here are just 3 of the 11 core focuses:

1 On the road to net zero emissions by 2050

You can travel knowing that our 4-point Climate Action Plan is guiding us towards net zero or near zero emissions by 2050. As the only tour company with an internal carbon fund to transition to low carbon, backed by validated near-term, long-term and net-zero targets, we are dedicated to reducing our carbon footprint and restoring nature's ability to respond to the climate crisis.

2 Diversity, equity and inclusion — the foundation of meaningful travel

We don't travel to experience sameness — we explore to meet different people, hear new perspectives and experience new places. To us, DEI is much more than sustainability, it's how we operate as a business. From taking concrete actions to increase diverse representation across our teams to targeted partnerships that directly support underrepresented communities, DEI is engrained in our day-to-day at all levels of our business and across all countries.

3 Almost every tour includes at least one MAKE TRAVEL MATTER® Experience

As part of our 5-year sustainability strategy How We Tread Right, almost every tour includes at least one MAKE TRAVEL MATTER® Experience — and this will be EVERY tour within the coming months. These immersive impact experiences are not only a positive force for change in the destinations you visit, by advancing one or more of the United Nations Sustainable Development Goals (SDGs), but also offer you the chance to take a deep dive into culture and community. See just a few of the many experiences featured on this page and look out for these experiences on your preferred itinerary.

Terminology, packing, extension & transfer information

Optional Experiences

Optional Experiences are offered on all guided vacations and are designed to complement your chosen itinerary and showcase the destination. These can be purchased at your discretion from your Travel Director while you are traveling.

Extend your Stay

Make your vacation last longer and add up to 3 additional hotel nights at the start or end of your vacation. Ask your Travel Specialist about our great rates and availability.

Included Airport Transfers

Most Airport Shuttle Transfers with purchase of air/land packages*

Guests who have purchased a land/air package operated by Trafalgar, Insight Vacations and Luxury Gold, benefit from complimentary transfers by shuttle coach on the arrival and departure day of your trip at designated times. Visit [GETours.com/airport-transfers](https://www.getours.com/airport-transfers) for full details.

**Exceptions apply*

London Airport Transfers

For arrival into London, we offer complimentary transfers from London Heathrow airport to your London tour hotel when you purchase your Trafalgar and Insight Vacations air/land package with us.

If purchasing a land only vacation, you can purchase a London transfer for an additional cost to/from Heathrow Airport. Your Travel Specialist will happily answer your questions regarding our purchase options.

Private Airport Transfers

If your flight times do not coincide with the shuttle coach transfer timings, or if you're arriving or departing after your tour start or end date, we can organize a private transfer on your behalf for an additional cost. Transfers must be booked and confirmed 21 days before departure.

Packing for your Trip

Guests may bring one full-sized suitcase and one carry-on bag per person. Due to limited luggage space, we ask that your full sized bag does not exceed dimensions of 30" x 18" x 10" and 50lbs. Space for carry-on bags on motorcoaches is much smaller than on aircraft, and bags with wheels, rigid frames, and telescoping handles cannot be accepted as carry-on luggage. Medium sized backpacks, tote bags, small duffels and messenger bags are all good options for your carry on.

For packing tips and other useful information, check out our Expert Advice section at [GETours.com](https://www.getours.com).
