Why Grand European Travel?

"our booking was seamless. We were able to add a day prior to the beginning of the trip staying in the same hotel we would be in for the start of the trip. GET also was able to book our flights. Any time called, our questions or concerns were handled promptly and professionally. We had an amazing trip. Staying 2 days in each city gave us plenty of time to enjoy the history, culture and food of each city. Stopping at smaller towns on our way to a new city gave us more insights into the people of each country we were visiting."

Why go Guided?

Top 6 reasons why guided tours are the best way to travel

"We had an amazing tour director and bus driver. We saw and learned about so many sites in Tuscany... and the local experts were able to give us interesting insights into the areas we visited. The hotel accommodations were great. And the food... fabulous! The agriturismo event and dinner was wonderful, as was the family farm dinner and our farewell dinner. The group was so friendly and supportive of each other. We were truly a family during our tour. Thank you GET... this was my third tour with your company. Thanks for the wonderful memories of Italy!"
